Note:

Please check the official website for more details and the latest updates.

For all games in the Mixed Doubles, the teams will toss a coin to decide first and second practice. At the conclusion of the team's pre-game practice, both players deliver one stone each to the tee at the home end. The distances recorded for each stone are added together to give the team its LSD total. The team with the lesser LSD total has the choice of delivering the first or second stone in the first end.

The first named teams in Round of 32 and Round of 16 play the stones with the dark coloured handles, and wear dark coloured upper playing garments. The second named teams in these two rounds play the stones with the light coloured handles, and wear light coloured upper playing garments. Starting from Quarter-finals the regular WCF play-off procedures apply to determine stone colours and pre-game practice.
