Bronze Medal Awarded to Aleks Haatanen

Summary:

Aleks Haatanen has been awarded a bronze medal in Men's Ice Hockey Skills Challenge

Details:

The International Ice Hockey Federation has conducted a thorough review of the result of Skill 5 in the Men's Ice Hockey Skills Challenge Grand Final.

The athlete 20 HAATANEN Aleks was originally awarded three points in Skill 5. The judge's decision to revise the result for HAATANEN in Skill 5 from three points to two points was incorrect. The IIHF review resulted in the decision to reinstate the points for HAATANEN from two points to three points.

The additional point elevates the final ranking of HAATANEN from position 5 to position 3. The IIHF and the IOC recommend that a bronze medal should be awarded in the Men's Skills Challenge to HAATANEN Aleks. The relevant reports C74 (Results), C75 (Start/Results Bracket), C92A (Medallists), C93 (Medallists By Event) will be revised accordingly
